[Docket No. 2852]

NATIONAL FLOOD INSURANCE

Communities With Flood-Prone Areas Subject to Section 202 Prohibition of Federal and Federally Related Assistance

AGENCY: Federal Insurance Administration.

ACTION: Notice.

SUMMARY: The purpose of this notice is to provide a list of communities that contain areas of special flood hazard potentially subject to the provisions of Section 202 of the Flood Disaster Protection Act of 1973 (Pub. L. 93-234) on July 1, 1975, or an appropriate later date, and to provide a convenient reference for interested persons, communities, Federal agencies and instrumentalities, and others involved in assuring compliance with that section. This list supersedes and updates the list published in the FEDERAL REGISTER at 42 FR 3572-3624 and all prior lists.

DATES: Section 202 applies to the community as of one year after the initial date appearing in the last column on each page of this list.

FOR FURTHER INFORMATION CONTACT:

Mr. Richard Krimm, Assistant Administrator, Office of Flood Insurance, (202) 755-5581 or Toll Free Line 800-424-8872, Room 5270, 451 7th Street SW., Washington, D.C. 20410.

SUPPLEMENTARY INFORMATION: Section 202 provides that effective July 1, 1975, Federal agencies and federally supervised, approved, insured, or regulated lending institutions are prohibited from providing financial assistance or making loans for acquisition or construction purposes in areas which (a) have been designated by the Secretary of Housing and Urban Development as Special Flood Hazard Areas for at least one year; and (b) are in communities which are not participating in the National Flood Insurance Program (42 U.S.C. 4001-4128). Special Flood Hazard Areas are designated as Zones A or V on Federal Insurance Administration Flood Hazard Boundary Maps (FHBM's) or Flood Insurance Rate Maps (FIRM's) and may have a numbered suffix indicating the flood hazard zones, for example A1-99 to V1-30.

Each of the communities listed below received notice of its designation as flood-prone prior to October 1, 1976, and legal notice was furnished of such designation by publication under Part 1915 of Title 24 of the Code of Federal Regulations in the FEDERAL REGISTER. These communities have failed to provide the Federal Insurance Administrator with sufficient technical or scientific data to rebut their designation as flood prone nor have they as yet qualified for participation in the National Flood Insurance Program. Thus, the sanctions of Section 202 apply as of July 1, 1975, or one year after a community's identification, whichever is later, until the community participates in the program.

The prohibition does not apply to loans by Federally regulated, insured,

supervised or approved lending institutions (1) to finance the acquisition of a residential dwelling occupied as a residence prior to March 1, 1976, or one year following identification of the area within which such dwelling is located as an area containing special flood hazards, whichever is later, or made to extend, renew, or increase the financing or re-financing in connection with such a dwelling, (2) to finance the acquisition of a building or structure completed and occupied by a small business concern, as defined by the Secretary, prior to January 1, 1976, (3) any loan or loans, which in the aggregate do not exceed \$5,000, to finance improvements to or rehabilitation of a building or structure occupied as a residence prior to January 1, 1976, or (4) any loan or loans, which in the aggregate do not exceed an amount prescribed by the Secretary, to finance non-residential additions or improvements to be used solely for agricultural purposes on a farm.

In order to continue Federal or federally related assistance or lending in its Special Flood Hazard Area, a community must apply for and be made eligible for participation in the program in accordance with 24 CFR (Parts 1909 to 1925). Communities on this list may be made eligible to participate in the program after the date of publication of this list. Such eligibility will be published periodically in the FEDERAL REGISTER under 24 CFR 1914.6 List of eligible communities. At that time the sanctions of Section 202 will no longer apply to the communities listed below.
